

Henry Binkley, Narbonne, Makes All-City Prep Honors

THREE OTHER GAUCHOS ARE PLACED ON SECOND TEAM

Last year Torrance high placed a Tartar on the All-City football team selected by the All-Southern California Board of Football when Gerald Grubb was tabbed for that honor.

This year it was Narbonne's turn and Henry Binkley was nominated for the glory. He was picked as a blocker.

But Binkley, who also made the All-Marine honor squad at the navy camp, was not the only Narbonne player to receive kudos from the Southern California grid board.

Driscoll Truitt was placed in a tackle position, Gus Kroesen tabbed for end and Harry Hagodorn was named a back on the second team. They were the only Marine League nominees for that squad.

San Pedro's Roy Provence just managed to beat out Truitt for the tackle berth on the first team.

"This year, more than any previous one, the difficult task of picking an all-city team had board members in a quandary," said the announcement of selections stated. "There were few actually outstanding players in the city ranks, while there were, it seemed, a horde of good boys on the various clubs, none of which were better than a number of others playing the same position."

Brown Popular
The only player whose name was inked on the first team list without so much as a single argument against him being uttered was Walter Brown, big center. He was the lone stand-out of the year. His stellar all-around play marked him as one of the greatest preps of all time at the Southland, and his stellar performance in the P.T.A. Football Carnival at the Coliseum last month made him the most talked-about player of the season.

While this isn't, by any means, the biggest all-city team selected, yet it would outdo the famed Notre Dame outfit of 1924, sparked by the "Four Horsemen," eight pounds to the man. It has good blocking, a tough defense and a dangerous attack.

The first All-City team is composed of: Ralph Heywood, Huntington Park, and Don Chiniquy, Hamilton, ends; Seymour Fuhrman, Hollywood, and Roy Provence, San Pedro, tackles; Kurt Keen, Kazanin, Poly Tech, and Frank Glave, Fairfax, guards; Walter Brown, Canoga Park, center; Bill O'Rourke, Huntington Park; Tom Pollard, Jefferson; Leon McCardie, Manuel Arts, and Hoyt Smith, Eagle Rock, backs, and Binkley, Narbonne, blocker.

The second All-City Team is made up of: Harry Adelman, Roosevelt, and Gus Kroesen, Narbonne, ends; Merritt Kufferman, Los Angeles high, and Driscoll Truitt, Narbonne, tackles; Jack Boyer, Huntington Park, and Bob Donnelly, L. A. high, guards; Roy Andrade, Wilson, center; Tom Quarles, Canoga Park; Max Van Horn, Eagle Rock; Harry Hagodorn, Narbonne, and Eddie Harrison, Fairfax, backs, and Gilbert Cate, Verdugo Hills, blocker.

Banning Beats Pirates 21-19

In the hottest basketball game of the season to date on any court, Banning took undisputed lead in the Marine League last Friday by capturing a 21 to 19 decision from San Pedro. It took the Pilots three extra periods to get the narrow edge. San Pedro's lightweights copped their third straight victory by defeating the Banning Bees 24 to 20.

Diek Frey, Banning's idol, who was shackled much of the afternoon by an alert Pirate defense, was the hero of the varsity contest. After being held to four points, Frey switched through a field goal after one minute of the third overtime period to give Banning its victory. Robert Jones was the Pirate hero. With less than ten seconds remaining in the regular game, and San Pedro trailing 19-17, Jones broke through a scramble of players to gallop the entire length of the court to score a field goal and toss the game into extra periods.

Indians Defeat Giants in Tenth

A 10th-inning run spelled victory for the Torrance-Lomita Indians in a hard-fought game with the L. A. Colored Giants last Sunday at the Torrance city park. The final score was 5 to 4 with the Indians rapping out nine hits while the Giants collected 16 off Rodimus and Morris. Ray Brown's double, followed by Clint Conatzer's double in the extra frame gave the Indians the game. Brown, short stop, got four hits out of six times at bat. John Winkler collected three hits as did Conatzer.

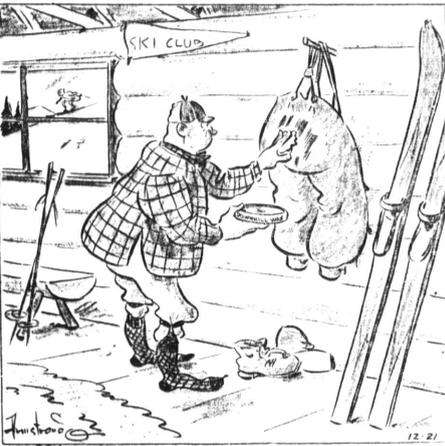

Next Sunday the Indians will meet the North Long Beach Merchants who have Elmer McGahan, former Torrance high pitcher, in their roster.

Pair of Dogs Saved from Sump Death

Two very disconsolate dogs, lineage unknown, were rescued in time's nick last Friday afternoon from death in a sump hole at Sanoma and Hickory streets.

A passerby noted the animals' predicament and called police who, in turn, summoned a humane officer. The latter made the rescue just as the dogs were about to go under the sticky, oily morass.

ZAMPERINI TO RUN MILE AT SUGAR BOWL ON DEC. 31

Louis Zamperini, the west's premier miler, leaves Friday night to begin a campaign of competing against the nation's ace distance men in special indoor races that will keep him busy until the middle of February. He has dropped out of U.S.C., but expects to re-enter in February and lead the Trojan track team next spring. He was elected captain of the team at the conclusion of the 1939 season.

Zamperini's first appearance as an unattached miler will be in New Orleans at the Sugar Bowl on the afternoon of Dec. 31. He will arrive in the Louisiana city next Monday morning for workouts. In the Sugar Bowl mile event, feature of a week-long sports calendar that will be climaxed with the Tulane-Texas A. & M. game New Year's day, will be five other top distance runners.

The Torrance Flash told friends here this week that he expects to do 4:10 if pressed by Blaine Rideout, Glenn Cunningham, Archie San Romani and Chuck Fenske in the race. He said that he is in excellent condition and believes he can win in New Orleans and go on to other races in the east confident of turning in good performance.

Following his New Orleans engagement, Zamperini will return to the west coast and two weeks later will board a transcontinental train for New York City where he will participate for a month or so in some of the outstanding eastern indoor track meets.

TARTARS FIND SELVES; BEAT EL SEGUNDO

By BERNARD FRIEDMAN
Onto the Torrance High gym floor last Friday night came two basketball teams. One, a steamroller which had crushed all opposition before it in its march toward a Marine League championship; the other a team which had not lived up to its pre-season rating. But there was a difference in the attitude of the latter team, who were the Tartars they had a fighting spirit that would not be denied. Torrance won 20 to 20.

At the end of the first quarter El Segundo held a 5-point lead. In the second quarter Coach Pete Zamperini sent in his star center, Marvin Lee. As soon as Lee was warmed up he began to sink his shots. At the end of the first half he had made 5 points. In the second half he really got going and added 11 points to the Tartar total.

Lee was aided and abetted by the best support given in a Marine League game by the varsity squad. Not only did the Class A team score its initial win but the Class B team had a field day at El Segundo's expense. This quintet rolled up 36 points to the Oiler Bees' 17. Jimmy Woodburn, the Tartars' only reserve, collected nine points to the Guy De Witt for high score honors. The lineups were:

Torrance (29)	El Segundo (20)
Barnard (1)	Noil (5)
Vancey (1)	Smith (2)
Milner (2)	Stanton (2)
Buckley (3)	Palmer (5)
Bross (1)	Allen (1)

Bank Certificate Holders Receive Another Dividend

Another five percent dividend on the 45 percent certificates of participation in the old First National Bank of Torrance is being paid today to holders of such certificates. C. T. Rippy, one of the trustees, announced. Other trustees are Beverly Smith and Snowwood McIntyre.

With the payment of this dividend, depositors in the old bank which suspended operations in 1933 will have received 20 percent of their funds, either in cash or stock in the re-organized bank. Ten percent cash dividend had previously been paid, 55 percent was paid in cash or stock when the new bank opened, and the present five percent makes the total of 70 percent paid to date, Rippy said.

GAUCHOS TAG GARDENA FOR CAGE WIN

After a nip and tuck first half, which ended with the Narbonne Gauchos holding a 13 to 12 lead, the Lomitanis pulled away from the Gardenas' grip and won 29 to 22 Friday in a Marine League contest on the losers' court.

The victory put the Gauchos into a tie with San Pedro for second place in the league standings as the cage season came to a halt for the Christmas holidays. The games will be resumed Jan. 5.

Altho Clayton Cooper grabbed high scoring honors with 12 points, the Mohicans could not get up enough steam to stop the fighting Narbonners in the last half. Butterfield of Lomita took second in points scored, netting 10 digits. Narbonne's Bee squad capped the preliminary game 23 to 16. The Class A lineups were:

Gardena (22)	Narbonne (29)
Cooper (12)	Harline (8)
Hoyama (2)	Teetelen (5)
Scott (5)	Wheeler (5)
Joyson (3)	Butterfield (10)
Brown (3)	Riggs (1)

SCORE BY HALVES
Gardena 12 10-22
Narbonne 13 16-29

Parks' Puppets On Display Now

Some folk like President Roosevelt, for instance, collect stamps for a hobby and sit for hours comparing the most minute of minute perforations and color combinations. Others do everything but risk their lives climbing steeples, scaling forbidden walls, and walking where angels fear to tread to get the most acute and unusual angles for candid camera shots. And then again there are those who do everything but ride the nags for their hobby.

But as for James Parks, 19-year-old son of Mrs. Carrie Parks of 1003 Portola avenue, puppeteering is quite the most interesting and absorbing hobby of all. He placed five of his original puppets in David Jacobs' window at 1321 Cabrillo avenue this week. So far as is known, his is the first moving puppet display ever to be held in Torrance. Morris Malloy, another enthusiastic puppeteer, helped James design, execute and display the tiny, lifelike moving characters which will be on display until the first of the year.

County Moves to Ban Marble Machines

Marble machines will be banned in Lomita and other unincorporated area of the county under provisions of an ordinance which was proposed at this week's session of the board of supervisors as the result of the voters' edict at the polls in Los Angeles.

Supervisor John Anson Ford said he has had in mind for several months such an ordinance for county area, and now that the county's largest city has turned them out the county should do likewise. Pasadena was one of the first communities to ban the games, that city's ordinance having been upheld by the district court of appeal, and Huntington Park followed suit. County law enforcement officials said that they expected large numbers of the machines would be moved into county area by the operators, particularly where county territory is not far from business areas of Los Angeles. Marble machines can
